Declaration and consent to use of  
**Zechstein Inside Quality Label**

We hereby grant permission to use the below logo on products made with Zechstein Inside magnesium chloride, sourced from Zechstein Minerals BV. This permission is only valid for the registered company mentioned below.

#### Company Details

Company Name: PuraVita  
Country: Germany  
Brand Name: Pura Vita  
Contact Person: Dr. Markus Schmid

#### Value of the logo

The Zechstein Inside logo, as shown on the left, is internationally recognized as a symbol of quality and strong business commitment. Companies producing products with our high-quality magnesium chloride can use this logo as a mark of trust and superiority in their market.

#### Conditions

This consent is valid for a period of two years from the date of signing. Renewal is required after this period.

Zechstein Minerals BV reserves the right to revoke permission for logo use at any time in case of misuse or non-compliance with the conditions, which can be requested from Zechstein Minerals BV.

Occasionally, Zechstein Minerals BV may discover companies using the logo without permission. This is a violation of our trademark and diminishes the value of the logo for companies that use it properly. Zechstein Minerals BV will enforce its rights under the law regarding unauthorized use of the logo.
